

# Authoring AHAbooks™ Production Process (as of March 2017)

**Legend:**

- Author Action Items
- THiNKaha Action Items

AHAMessages should be 130 characters (140 max) including twitter handles, hashtags and urls.

Although section titles are not shown on AHAthat, they are part of the pdf, Kindle & physical books and help the author write (and reader read) the AHAbook.

---

Author terms and conditions are part of this process and can be found after clicking the “Check-Out” button in the shopping cart.
