

Take your brand to the top of the market with a book that demonstrates your expertise. We ghostwrite your book in five easy steps:

1. Two-hour interview by telephone to focus your book and pull out your key messages.
2. We give you a draft manuscript that you can review and revise.
3. You make your changes and give us feedback on the overall look and feel of the book.
4. We turn your manuscript into paperback and hardcover formats with appropriate art.
5. We launch a visibility campaign on Amazon and give you the text you need to share with your colleagues.

In 2-4 months, you'll be the author of an Amazon bestselling book that will take 5-10 hours of time focused on content, look, and feel.

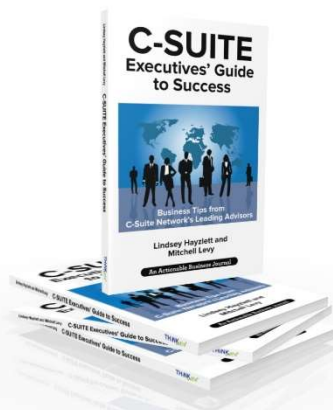

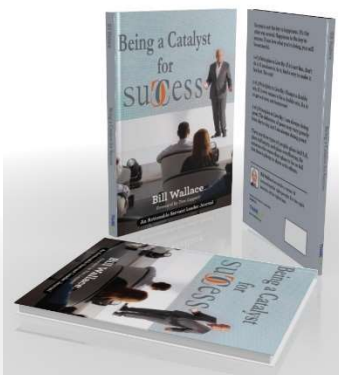

“Most valuable experts don't have the time to write a book, but they do have the info necessary to come up with success!”
