

Drive an Anthology Book to Increase Your Influence and Make Money

This blueprint ensures that you create and build relationships, make direct and indirect revenue, catapult yours and others’ thought leadership, have an asset and goodwill that will last for over 5 years, and have your name sitting on the desk of hundreds of powerful executives.

You, as the primary author, get your name on the cover and split profits with AHAtat. Why don’t you consider bundling in one of your services and varying the amount charged to contributors and the number of books received. Below is an example where we’ve bundled in an online mastermind.
